

## OBJECTIVE

To bring my skills and unique outlook to the company, offering new ideas and concept-driven solutions to whatever challenges we face.

## EDUCATION

Graduated summa cum laude with a BFA in graphic design.  
*University of North Florida; December, 2006*

Certified art teacher

## SKILLS

Proficient in Adobe Photoshop, Illustrator, InDesign, Dreamweaver, Flash, Quark, and Microsoft Office, in both Mac and Windows environments

## QUALIFICATIONS

I work well in groups, but am self-directed enough to work alone if needed. I have a lot of great ideas to bring to the table. I am extremely driven, have a strong work ethic, and am very quick to learn.
